

# WEDDING AT CANA

While he was attending the wedding of a family friend, Jesus performed his first miracle! The family had run out of wine for the guests, which was a big no-no in those days. Jesus' mother asked if he could do something to help, so he went to some large barrels of water, and turned it into wine. The family was so happy, and the party lasted all night long!

Can you find the 5 differences in this scene of Jesus coming to the rescue?
